	<p>Highest Qualification ACCA Member</p>
	<p>Professional Title ACCA Fellow of the HEA</p>
	<p>Email dabir.ahmed@lsbm.ac.uk</p>
<p>Key Responsibilities</p> <p>Module Leader for Financial reporting, Taxation and Computer application in Accounting</p>	
<p>Biography</p> <p>Before qualifying as an Accountant I graduated as a Textile engineer from Dhaka University and worked in different textile manufacturing companies.</p> <p>My last job as a textile engineer was as a Production manager of a large textile company in Bangladesh. I decided to become an accountant when I came to London to study.</p> <p>I qualified as an ACCA in December 2007 and also achieved a B.Sc. in Applied Accounting with First class honours from Oxford Brookes University.</p> <p>I am also a Fellow of the UK Higher Education Academy (HEA).</p> <p>I have extensive working experience in accounting and finance over the last 10 years. I have worked as Finance officer, Accountant, and Finance manager in many different industries such as education, retail, catering, and e-commerce based business.</p> <p>As a Senior Lecturer in Accounting and Finance at LSBM I lead modules such as taxation and financial reporting.</p> <p>As a business consultant at Ultimate Accounting and Tax Solutions, my role mainly involves advising businesses on start-up, growth, financial compliance, cost management and taxation.</p> <p>I am also a visiting lecturer for Taxation at Birkbeck College, University of London and the ACCA professional qualification at Richmond upon Thames College. I have mentored students for the ACCA at Oxford Brookes University RAP (Research and analysis project).</p> <p>Since September 2015, I also present a fortnightly live TV show called “Your Accountant” on ATN Bangla (SKY Digital 827) focusing on common business, accounting and tax issues that small and medium sized enterprises experience.</p> <p>In my leisure time I like to watch cricket, football and play chess.</p>	

Research interests and areas of expertise

My areas of expertise are Taxation for individual and small and medium businesses. I have also interest on corporate reporting specially IFRS.
